

Mangalia and Saturn

Climate, location and transportation means.

Climate. The average temperature of the water of the Black Sea is 20-25 Celsius degrees in summer; there exist no dangerous plants or fish in the Black Sea.

Location. The resort Saturn is located near Mangalia, and includes the hotels where the Conference participants are accommodated. It is built along the Black Sea beach 1 Km away from Mangalia and 43 Km away of Constanta. It has 20 hotels, holiday villages, sports fields, pools, summer gardens, bowling, cinema, discos, day and night bars.

The city Mangalia is located 44 Km South of Constanta and 11 Km North from the border with Bulgaria (Vama Veche).

Transportation means. The Mihail Kogalniceanu Airport (close to Constanta) is 70 Km distance from Mangalia, and the National Road DN39 and the railway connect the city of Constanta and the capital of Romania, Bucharest. The cost of a local bus ticket, joining the hotels with the center of Mangalia (7-15 minutes walk) is approx. 30 (EU)cents and the cost of a local bus to Constanta is approx. 60 (EU)cents.
